Program Educational Objectives (PEO)

After 5 years of graduation, a BS Economics graduate shall:

1. PEO 1: Possess technical proficiency and exhibit life-long learning in the field of Economics.
2. PEO 2: Embed the nobility of character guided with practice of ethics and moral standards.
3. PEO 3: Demonstrate cultural and social sensitiveness as well as public service.

Program Outcomes (PO)

Upon completing the BS Economics program, graduates shall demonstrate the following:

PO	Domain	Domain Definition
1	Economic Knowledge	Demonstrate knowledge of economic theory and diagnose economic problems using appropriate theories and methodologies.
2	Communication and Reporting	Convey oral and written economic arguments and research results.
3	Leadership and Teamwork	Influence, engage, and manage people to work in a collaborative manner with others towards a common goal.
4	Multi-disciplinary Teams	Understand other disciplines in order to determine socio-economic and political impact of issues present in them.
5	Professionalism and Ethical Responsibility	Practice professionalism and good citizenship that can be enhanced through the General Education courses offered in the program.
6	Lifelong Learning	Demonstrate personal and intellectual autonomy and information literacy.
7	Research Analysis	Investigate and extract information from a complex human system that will shed insight into different societal problems with the design and use of economic models.
	Research Methodology	Apply appropriate mathematical and statistical techniques in a scientific manner.
	Research Synthesis	Establish facts and reach new conclusions through the production of articles and policy papers or proposals.
8	Technical Competencies	Acquire, select the appropriate, and use modern technologies in the aid of reporting.
9	Problem Solving and Decision-making	Present alternative solutions and advice judgments based on available economic information for the common good.
10	Culture Appreciation	Appreciate Filipino historical and cultural heritage.
