Eastern Visayas State University
Tacloban City

Sir:

I would like to enroll in the Graduate School of this institute.

If unable to submit my original Transcript of Records with the correct remarks from the school last attended, I hereby promise to submit the original Transcript of Records on _____ with either of the following remarks.

- For Further Studies
- For Transfer
- Granted Honorable Dismissal

Failure on my part to submit the above-mentioned enrolment credential will to compel the Office of the Graduate School not to issue any school records and or permit to enroll again in the Department.

I affix my signature below to signify my conditional agreement to the conditions stipulated above in connection with my application to enrolment and/or request for records.

Thank you.

Very truly yours,
