

# Welcome to EEE

## What is UP ERG?

The **UP Engineering Radio Guild (UP ERG)** is an academic organization based in the Electrical and Electronics Engineering Institute. Its firm academic thrust, tied with socio-civic and extracurricular pursuits has filled its eight decades with a radio club, scholarship programs, inter-collegiate gatherings, outreach programs, concerts, seminars, and technofairs, among countless other activities.

## Our Notable Alumni

### Fransisco L. Viray

- CEO & President, *Trans-Asia Oil and Energy Development Corporation* (2007 - Present)
- Secretary, *Department of Energy* (1994 - 1998)
- Dean, *UP College of Engineering* (1991-1993)

### Rizalina Gervasio-Mantaring

- CEO & President, *Sun Life of Canada (Philippines)* (2009 - Present)
- Recipient, *2011 CEO Excel Awards*
- Recipient, *100 Most Outstanding Alumni of the Past Century, UP College of Engineering*

### Rowena Cristina Guevara

- Dean, *UP College of Eng'g* (2004 - 2010)
- Executive Director, *Philippine Council for Industry, Energy and Emerging Technology Research & Development (DOST - PCIEERD)*

## Through the Years

The UP Engineering Radio Guild is the **oldest student organization** in the College of Engineering; a model of holistic excellence and student leadership.

- 1935** UP ERG founded as an amateur radio club by Solon Mathew Dakis
- 1953** Established in EEEI by Javier Palaban
- 2004** Launched Dagitab Engineering Organization Excellence Awardee
- 2010** Celebrating ERG's 75th year (outreach programs, eco-inspired marathons, ACLE)
- 2012** Launched Synergy: EEE Summit
- 2019** Re-establishment of the Radio Club  
Establishment of UP ERGAAI

## Why Choose Us?

### Reviews

Group discussions aimed to help students in their majors.

### Academic Resources

Materials to help the members in excelling at their subjects.

### Support Groups

Group chats where members who take the same subjects can collaborate with each other.

### Workshops

Tutorials to hone the different skill sets of the members.

### Bootcamps

Trainings led by players for members who are interested in learning new sports and skills.

*A diverse but united family*

## Projects and Events

### ERG Anniversary

A week-long celebration of the establishment and achievements of UP ERG throughout the years.

### Synergy: Electrical and Electronics Engineering Summit

Academic convention for students undertaking EEE degree programs and other related programs.

### Dagitab

Symposium for Junior and Senior high school students and exposes them to the field of EEE.

### Chill Ikot: Jumpstart

Aims to give incoming freshmen a tour of the UP campus and an introduction to EEE subjects.

### ERG Cup

Organized sports tournament for EEE students, alumni, and faculty.

### Transistor

Service project given to select communities while applying the amateur radio practice.

## Membership Requirements:

Membership is open to all students enrolled in EEEI.
