Dear Dr. De Paz:

Warm greetings!

The **Eastern Visayas Health Research and Development Consortium – Capacity Building Committee (EVHRDC-CBC)** will conduct a **Data Analytics & Statistics Training on July 11, 2023 via Zoom**. The training aims to capacitate EVHRDC researchers on the different statistical methods which will be useful for the data analysis of their project. The target participants for this training include researchers of on-going Regional Research Funded projects, newly approved projects, and projects for possible funding.

In relation to this, we would like to request **DR. FIDELIZA COJUANGCO, DR. JEFFRY OCAY** and **MR. SHELDON IVES AGATON** to attend the said training. The participants who will register in the training should have their own laptop/desktop computer preferably with a modest camera, have strong and stable internet connection; and use headphones/earphones with built-in microphone. In addition, participants are also requested to be relieved from work while attending the training to ensure their utmost attention and participation. Please click the link below to register and download the software needed for the training.
